## Equality & Diversity

Axiom recognises that its customers are individuals

We aim to be a beacon for Equality & Diversity and opportunity for all

# Equality & Diversity

## Equality

At Axiom we believe that people must not be unfairly discriminated against because of race, gender, disability, sexual orientation, age, religion or belief.

## Diversity

Diversity is about valuing individual difference and ensuring our services are responsive to the diverse needs of the people who we work for.

We are committed to creating a positive environment where discrimination does not happen.

At Axiom  
we aim to be:

- A Beacon for equality, diversity and opportunity for all.
- Responsive to the diverse needs of the communities in which we work.

We will:

- Ensure that all our residents and service users have access to services and support appropriate to their diverse needs.
- Ensure our staff recruitment and selection is directed at employing the best people appropriate to the diverse needs of our customers.
