

Mutual Exchange Application Form

House Exchange is a premier website for Mutual Exchanges. If you do not have access to a computer you are still able to register on the site by completing this form. We will then send you a print out of matches for you to look at. If you do not find a suitable swap straight way, then you can contact us for a future list.

If your circumstances change and you need to update your details, or you want to amend or add to the area or type of property you want, contact us and we will make the changes for you.

When filling in this form, remember that the more information you give about where you live now or where you want to move to can help you find the home that's right for you.
